

A Homage to The Masters: Pablo Picasso

A Free In-Person Workshop Presented by
Cancer Support Community Atlanta

In our series, “A Homage The Masters” we will explore acrylic painting and look closely at the work of Pablo Picasso. You will create your own original using his style. No artistic skill necessary... just a desire to explore and play with paints!

Pablo Picasso was gifted intellectually and born with incredible artistic talent. He had skills in painting, sculpting, printing, and theater making, creating over 13,500 paintings. He was heavily influenced by Matisse, Cubism, and African masks. As observed in other artists, his art was influenced by his mental and physical health. He had a “blue period” for four years, followed by a “rose period” for three years.
