Family Day at Chattahoochee Nature Center

Join Cancer Support Community Atlanta at the Chattahoochee Nature Center for a CSC Family Day. Families will enjoy time in nature together in a welcoming environment that celebrates local flora and fauna. You'll have the opportunity to explore Chattahoochee Nature Center's 127 acres, walking trails, wildlife, exhibits, as well as connect with other CSC Families. At 10:30am, we will gather for a special live presentation with one of CNC's Naturalists, who will share one of the center's ambassador animals. After our presentation, we will enjoy a picnic lunch together. This event is open to families with children.

Monday, February 19, 10:00 a.m.–1:00 p.m.
