

Immerse Yourself In Gardening at the Chattahoochee Nature Center

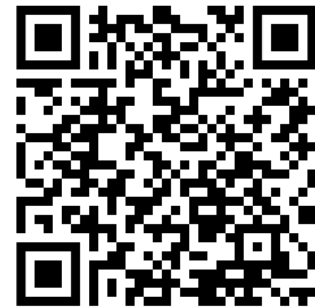

Connect with nature through plants by immersing yourself in gardening with the Chattahoochee Nature Center horticultural staff. This introductory workshop on plants and gardening will give you the chance to be up close and hands-on with both vegetable seedlings and plants that are native to Georgia. We will experience planting seedlings and seeds out in CNC's Unity Garden in raised beds and in an elevated planter. Each participant will receive simple instructions for easily recreating a planter or container garden at home. Each participant will plant and take home a seedling. All tools, gloves, and plants provided.

Thursday, May 16
1:30–3:00 p.m.

Chattahoochee Nature Center
9135 Willeo Road, Roswell, GA 30075
