

## Nutrition Seminar: Eating with a Decreased Appetite

### A Free Virtual Workshop Presented by **Cancer Support Community Atlanta**

Join Savannah as she discusses the importance of eating during cancer treatment despite having a decreased appetite, strategies to increase food intake, and meal and snack ideas to help fuel you. This is a great seminar to attend in preparation for treatment, during treatment, and for caregivers to learn how to better support their loved ones.

*Presented by:*  
**Savannah Duffy, MS, RDN, LD**

**Tuesday, March 19
