

Triple Negative Breast Cancer Virtual Support Group

Please note: This information is correct as of July 2021. Times may change, so visit our website at www.cscatlanta.org for the latest information.

This virtual support group is for anyone diagnosed with triple negative breast cancer, meaning the three most common types of receptors known to fuel most breast cancer growth - estrogen, progesterone, and the HER2 gene - are not present in the cancer tumor. Connect with a community of women with similar experiences for support and practical tips on managing life during and after treatment.

Facilitated by:

Kate Kray, LCSW

First and Third Mondays

1:30 - 2:30 p.m.

To participate in this support group, please email

emily@cscatlanta.org.

*This program is made possible through a grant from
It's the Journey, Inc. – Georgia 2-Day Walk for Breast Cancer.*
